

THE CITY OF *Santee*

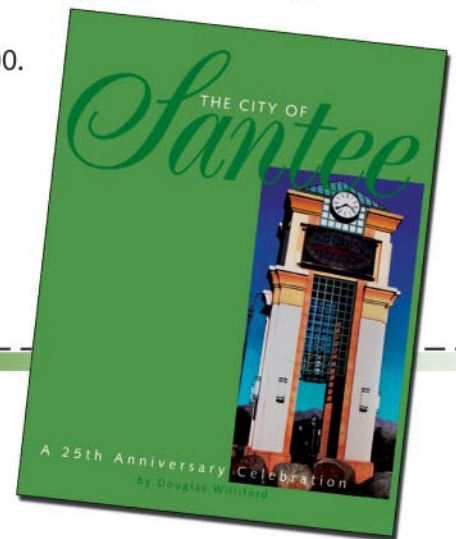

is celebrating its 25th Anniversary with a limited-edition, commemorative history volume.

The City of Santee's evolution from being a small, backcountry village in the late nineteenth century to becoming a diverse and multifaceted modern city is a fascinating and colorful story. From the community's original founders, George and Jennie Cowles, Hosmer McKoon, and Milton Santee himself, to those who led the incorporation drive toward it becoming a city almost a century later, Santee's history is filled with people who shared a vision of this community becoming something truly special.

The City of Santee is proud to announce the publication of *The City of Santee, a 25th Anniversary Celebration*. This beautiful 8-1/2 x 11 hardcover volume will describe and illustrate, with approximately 140 historic and contemporary photographs, how the character of the city has been shaped through the years. Don't miss this opportunity to visit the Santee of yesterday and today through the 96 pages of intriguing and exciting text!
